

LMN Generator

Accelerate patient handoffs and **boost** collaboration.

Reduce administrative burden

Minimize claim denials

Expedite equipment delivery

Nymbl's LMN Generator automates the creation process and enables secure information exchange between therapists and ATPs.

Key Benefits:

- 1. Enhance Workflow Efficiency**
Integrate with existing practice management systems for seamless LMN generation.
- 2. Reduce Documentation Time**
Save 10-20 minutes per note, allowing you to focus more on patient care.
- 3. Strengthen Patient Advocacy**
A well-supported LMN accelerates the delivery of medically necessary equipment to patients.
- 4. Improve Accuracy and Compliance**
Automated tools ensure documentation meets insurance guidelines and regulatory requirements by aligning with payer-specific standards.

It's hard to imagine going back to the old way

Factors	With Nymbl LMN Generator	Without Nymbl
LMN Creation Time	5–10 minutes	15–30 minutes
Documentation Accuracy	AI-assisted, payer-aligned	Manual, error-prone
Administrative Burden	Streamlined and automated	High and repetitive
Patient Care Delivery	Accelerated	Often delayed
Revisions & Payer Communication	Minimal due to compliance checks	Frequent back-and-forth

Nymbl's LMN workflow streamlines the documentation process for therapists, helping them complete LMNs faster and with fewer errors, which means your patients get the chairs they need sooner.
